Important Note to Coaches

Dear Coaches

We would like to remind you that you are not to take any player into your roster unless they are listed on your game sheet, which means they are registered through Woodbridge Soccer House League Program

Last year, it was brought to our attention that coaches were accepting players that were not on the original roster as provided by the Club. This creates some serious problems as these coaches or/and parents show this type of disregard to our rules and regulations. In order, for a player to be covered by the OS and our liability insurance they **MUST** be registered with the Club House League Program and have paid their fees in full. They also cannot be playing in a younger age group than they are registered for. Therefore, we will not tolerate any Coach or/and Parent playing an unregistered or over age player. This also applies to any Competitive or OPDL player registered with our Club or any other Club. Coaches may be **personally** liable should anything happen and **WILL NOT** be covered by the Club.

Please help us discourage such trends by reporting these incidents in writing to the Club office directly the House League Administrator

We thank you for your continued support and dedication to the Club

Yours in soccer

Rita Urrasio - House League Administrator
